## "America's Gift to France"

This movement, which involves the cooperation of the people of California, in raising funds by popular subscription to erect a magnificent statue on the scene of the first battle of the Marne, has been started in Carmel.

Subscriptions will be received for the balance of this week at Norton's grocery store, and everybody in this city is urged to contribute. It is hoped that all Americans will help to emulate the course of the French people in subscribing toward the statue of Liberty Enlightening the World that rises majestically in New York harbor.

This will be a free will offering to express our gratitude to France for the victorious struggle of the Marne.

**Oliver TYPEWRITER Agency.** At Pine Cone office. Terms.

## Forest Theatre Plays This Summer

Not for many moons has the editor of this journal had an opportunity to present to its four hundred subscribers an article of news with the enthusiasm as is afforded by the report of the Play Committee to the Directors of the Forest Theatre concerning the plays to be presented here this summer.

The festival will be inaugurated on July 2 with a superb production of George C. Hazelton and J. Harry Benimo's imaginary Chinese play, "The Yellow Jacket." John Northern Hilliard has been selected as producer.

At a date to be decided upon—probably in mid July—the children's play is to be given, and it will be a source of much pleasure to every Carmelite to know that its author is Miss Grace Wickham. This is the most ambitious work this young lady has yet accomplished. With her previous work as a criterion, we may look forward to an interesting and unique performance, with Gordon Davis as producer.

Announcement of the August play or plays will be made in a fortnight.

With the summer program thus early decided upon, giving ample time for preparation and rehearsal, the townspeople and hundreds of visitors may anticipate an unprecedentedly successful season at our open-air theatre.

The Play Committee, Messrs. Hopper, Bechdolt and Hilliard, have labored long and hard to make this first effort under the new regime worthy of the importance of the Forest Theatre now and in the years to come.

During the season D. W. Willard will be chairman of the Scenic Committee, and Mrs. F. R. Bechdolt of the Costume Committee.

The Harry Turner home resounded with the voices of happy children on Saturday afternoon, when a number of little friends assembled to give Helen a birthday surprise.

Those present were: Margaret Castro, Carmelita Pepper, Dorothea Aucourt, Irene Gould, Theora and Maurine Plein, Margaret Wild, Helen Turner, Miss Mai Guichard, Martin Leidig, Earl Parkes, George Turner, Harry Aucourt, Glenn Leidig, Harry

### Boosts and Knocks

By Observer

Other things being equal, it is up to every Carmelite to expend their money with local shop keepers, contractors, professional people, etc. They live here, pay local taxes, and spend their own money at home. Give them first consideration.

Now that the announcement of the summer plays at our Forest Theatre has been made, it is incumbent on every resident to boost for a large attendance. In all your correspondence make it a point to mention the plays and dates of presentation. Boost! BOOST! BOOST!

Taxes again. A reminder, gentle reader. If you have paid only the first installment on your State and County taxes, bear in mind that the second installment becomes delinquent after the last Monday in April.

Judging from the number of names that have been signed to the petitions to retain the Marshal and to increase his stipend, any candidate for City Trustee not in line with these wishes is going to have hard sledding.

Some speed burners. Thirty-eight minutes from Salinas to Carmel was the time made by J. F. D. and party last Thursday afternoon. The "party" included S. D. Hutsiniller and Judge Campbell. Did I say speed burners? Yes—a real estate, a parson and a lawyer.

Those two expert bakers, who are to open a shop here next week, are no fly-by-night fellows—here to get the summer trade and then beat it. They have come to stay and do business the year round, having taken a long lease on the Ocean Avenue property and have installed modern baking equipment. They have employed a saleswoman.

An unflinching indication of a city's growth is afforded by the increase in postoffice business. Only a few months ago 105 new lock boxes were installed at the Carmel office and were quickly rented. Last week 50 more boxes were put in.

Easter suits that are unusual at Holman's, Pac. Grove.

Turner, and last, but not least, Billie Turner and his dog Buck.

### Near East Relief

Departing from custom, the Federal Council of Churches has endorsed the work being done by Near East Relief, 1 Madison Avenue, New York City, the former committee for Armenian and Syrian Relief which has essayed the task of caring for 1,250,000 starving people in Western Asia.

Resolutions adopted by the executive committee, as announced by Charles S. Macfarland, general secretary, are as follows:

"Your committee recommends that prayers be offered in all our churches for the suffering children throughout the world, especially those who are in distress and peril as the result of the war."

"They further recommend that we reaffirm and emphasize our interest and co-operation in the plans of 'Near East Relief.' We know of no need in the world that is more compelling than that of the Armenian, Syrian and other peoples in the Levant who have already received and must still receive the generous sympathy of the American people."

### For President HIRAM W. JOHNSON

#### Where He Stands

F. R. Bechdolt, candidate for City Trustee, has issued the following statement:

"I will stand for—

"Permanent street improvements. This includes Ocean Avenue. I voted for concrete for this street, but if a sufficient majority does not favor concrete, I am for any paving method which can command such a majority, provided that method is practical.

"Retention of the present City Marshal at increased compensation.

"Restriction of campers to a tract set apart for the purpose, as in other communities.

"Preservation of Carmel's natural beauties; among other things, preventing picnic parties from desecrating the beach and dunes with litter.

"The statement has been made that I favor municipal ownership of the Forest Theatre. I am absolutely opposed to such ownership.

## When March Blows In

Around Carmel, when March blows in,  
And wished-for showers fill the days,  
Oh you should hear the merry din  
In windy tree-tops, see the ways  
That lie below, all padded thick  
With flowers, that do all amaze!  
Because they come just over-night,  
By thousands, the world's race to win,  
And ope their eyes and smile at you  
Up through the rain, when March  
blows in.
